Sub: Proposed construction of a jetty by M/s. Advani Pleasure Cruise Company Pvt. Ltd. in Survey No. 89/1 in Reis-Magos village, Bardez taluka.

Sir,

With reference to your application on the above-mentioned subject, it is hereby conveyed that this office has examined your case in 40th GCZMA meeting held on 08/05/2008 and the GCZMA has in principle approved the same subject to the condition that prior permission from GSPCB is obtained and that appropriate environmental mitigation measures are taken during construction and after construction of the jetty as per the environmental management plan which incorporated in the Environmental Impact Assessment Report. The approval is further subject to the conditions listed below:

1. All the provisions of the CRZ Notification, 1991 should be strictly complied with.
2. Prior to the commencement of the development work on the ground/water, it will be incumbent upon the applicant to obtain the following:
 - i. Approval from Town & Country Planning Department from the planning angle.
 - ii. Construction licence from the Village Panchayat
 - iii "Consent to Establish/N.O.C." from the Goa State Pollution Control Board (GSPCB).
 - iv. NOC/Approval from Captain of Ports, Government of Goa, Panaji-Goa.
3. This permission is liable to be revoked if it is found, at any stage, that the application contained false information/wrong plans/calculations/documents or any other incorrect/wrong accompaniments.
4. After commissioning of the facility, due care should be taken to prevent and mitigate any adverse environmental impacts such as erosion of earth material into the river, dust pollution, noise pollution, etc which may occur as per the Environmental Management Plan. The site will be periodically inspected by the GCZMA to monitor the compliance of these conditions.

Yours faithfully,

 (Michael M. D'Souza)
 Member Secretary, GCZMA &
 Director/Ex-Officio, Jt. Secretary (STE)
